Dear user, please note that the processing of your personal data is governed by EU Regulation 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data (hereinafter General Data Protection Regulation (GDPR)).

You must be informed when personal data is processed. This document informs you about the processing of your personal data collected on this website (<http://www.fincalastoscas.com>).

Your personal data are the responsibility of FINCA LAS TOSCAS, S.L., with CIF number B3803312, address Calle Amapola 16, Las Candas, 38312 in La Orotava, Spain. The contact details are +34 922 33 43 03.

The purpose of the data is to provide advice through the website and the reservation of our holiday houses and apartments.

The data will be kept for the duration of the relationship between the two parties. After the relationship ends, they are retained only if there is a legal obligation to do so.

The legal basis for the processing is the consent you have given by accepting the terms of this website. You have the right to revoke this consent at any time. The processed data will not be disclosed to third parties unless there is a legal obligation to do so.

You have the right to request access to the personal data held about you, to request its rectification or cancellation, to request the restriction of its processing and the portability of the data. This is done by writing to Calle Amapola 16, Las Candas, 38312 La Orotava, Spain. This can also be done by contacting the data controller so that they can send you a preliminary form. You can file a complaint with the Spanish Data Protection Agency (AEPD) if your rights are not fulfilled.

You have the right to file a complaint with a supervisory authority for non-compliance with applicable data protection regulations. In addition, this website uses cookies, which are personal data and are expressly subject to the applicable Cookies Policy.

Cookies Policy

This website complies with the data protection regulations regarding cookies policy.

What are cookies? A cookie is a file that is downloaded to your computer when you access certain websites. Among other things, cookies allow a website to store and retrieve information about a user's browsing habits or their computer and, depending on the information contained therein and the way they use their computer, to recognize the user.

What types of cookies does this website use?

It uses analysis cookies that, if well treated by us or third parties, allow us to quantify the number of users and thus measure and statistically evaluate the use of the services offered. To do this, we analyze your navigation on our website.

You can allow, block or delete cookies installed on your computer by changing the settings of the browser installed on your computer.

If you continue to visit this website, you accept the General Privacy Policy and the Privacy Policy in Particular.
